Setting of the total ceiling of authorizations to issue shares and debt securities, debt securities giving access to the capital, and, more generally, securities giving access to the capital

FOURTEENTH RESOLUTION

Amendment to Article 11 of the Articles of Association to restore the double voting rights stipulated in Article L. 225-123 par. 3 of the French Commercial Code

The General Shareholders' Meeting, acting in accordance with the quorum and majority requirements for Extraordinary General Shareholders' Meetings, having reviewed the report of the Management Board, decides to restore the double voting rights stipulated in Article L. 225-123 par. 3 of the French Commercial Code and consequently amend Article 11 of the Articles of Association on the rights and obligations attached to Company shares to read as follows:

"11.1 – Each share gives a right to the profits, corporate assets and liquidation surplus in an amount proportional to the share of the capital it represents, and each share gives a right to one vote.

It also gives the right to vote and be represented at the General Shareholders' Meetings, along with the right to be notified about the Company's progress and to receive certain corporate documents at the times and under the terms stipulated by law and the Articles of Association.

In accordance with Article L. 225-123 par. 3 of the French Commercial Code, a double voting right that given to other shares, in view of their proportion of the capital, is legally granted:

- *to any fully paid-up shares which can be proven to have been registered for at least two years in the name of the same shareholder;*
- *to any registered shares allocated to a shareholder, in the event of a capital increase by a capitalization of reserves, profits or share premiums, in proportion to any old shares for which the shareholder has this right.*

This double voting right will automatically be voided for any share that is converted into a bearer share or whose ownership is transferred. Nevertheless, a transfer resulting from inheritance, settlement of matrimonial assets or deed of gift between living persons to the benefit of a spouse or legal heir does not cancel the acquired right, nor does it interrupt the aforementioned two-year deadline. The same applies in the event of a transfer as a result of a merger or demerger of a shareholder entity."

The rest of the article remains unchanged.

FIFTEENTH RESOLUTION

The General Shareholders' Meeting, acting in accordance with the quorum and majority requirements for Ordinary General Shareholders' Meetings,
